Entrepreneur Fair Report

Date:- 22nd March,2022

Uran Education Society's College of Management and Technology organized Entrepreneur fair on 22<sup>nd</sup> March,2022 during Tarang festival. Mr. Anand Bhingarde ( Hon. General Secretary, U.E.S) inaugurated the function by cutting ribbon. Other Committee members, Heads of School- Primary , pre- primary and HOD of B.Sc. IT and B.com also attended this function.

During the curriculum , students are taught about various entrepreneurial skills, activities and several commercial and applied elements of a subject. This event provides them a platform to to practically implement those skills in actual life. This activity creates the way for the students to practise the concepts rather than merely studying them and writing them down.

**Student of B.com installed five stalls in this Fair.**
