RESULT PUBLICATION

The results are processed with software supported by the External Agency. After result processing these sheets are scrutinized by the COE. A detailed summarization and verification of the results is done by the department of COE. Before publication of the result of each Semester, a meeting with the Examination committee is conducted and the summary of the results are discussed. After verification these results are published. This is followed by Distribution of Grade Cards of all the students printed at the COE and distributed.
