Title Of The Programme - **Research Fundamentals: Building a Strong Foundation**

Number Of Participants - **64**

Resource Person Name - **Dr. Seetharam Iyer**

Date of the Program - **04/07/2018**

Program Report -

The lecture began with an introduction to research, emphasizing its importance in various fields, including business and information technology. Students were familiarized with the purpose and objectives of research, highlighting its role in generating new knowledge, solving problems, and making informed decisions.

Below are key points focused on by the faculty-

1. Introduction to Research
2. Research Process
3. Research Design
4. Data Collection Methods
5. Data Analysis
6. Ethical Considerations in Research:

In conclusion, the lecture on Research Fundamentals - Building a Strong Foundation provided Ty B. Com & B. Sc. IT students with valuable insights into the key principles and concepts of research. The students gained a deeper understanding of the research process, research design, data collection methods, data analysis techniques, and ethical considerations. It is expected that the knowledge and awareness acquired from this lecture will serve as a strong foundation for the students' future research endeavors and enable them to conduct research effectively and ethically in their respective fields.

Date of the Program - **24/07/2018**

Program Report -

The lecture on "Developing and Enhancing Financial Skills in Entrepreneurship" was delivered by the faculty to the students of TY & SY of B.Sc. IT and B.Com. The objective of the lecture was to provide insights into the importance of financial skills in entrepreneurship and how they contribute to the success of entrepreneurial ventures.

Below are key points focused on by the faculty -

1. Understanding Financial Skills in Entrepreneurship
2. Financial Planning and Analysis
3. Managing Cash Flow
4. Financial Decision-Making
5. Funding Options for Entrepreneurs
6. Financial Record-Keeping and Reporting

The lecture on "Developing and Enhancing Financial Skills in Entrepreneurship" provided students with a comprehensive understanding of the importance of financial skills in the success of entrepreneurial ventures. The session highlighted the key financial skills required for effective financial management, cash flow analysis, financial decision-making, funding options, and financial reporting. The lecture aimed to equip students with the necessary skills and knowledge to navigate the financial aspects of entrepreneurship and ensure the financial health and sustainability of their ventures.

Title Of The Programme - **Quantitative Research Methods: Data Analysis for Business and IT**
Number Of Participants - **49**
Resource Person Name - **Dr. Seetharam Iyer**
Date of the Program - **08/08/2018**
Program Report -

The faculty delivered an insightful lecture on Quantitative Research Methods: Data Analysis for Business and IT to the Ty B. Com & B. Sc. IT students. The lecture aimed to provide students with an understanding of the key principles and techniques involved in quantitative data analysis, specifically tailored to their fields of study.

Below are key points focused on by the faculty-

1. Introduction to Quantitative Research
2. Data Collection Methods
3. Data Analysis Techniques
4. Statistical Software
5. Hypothesis Testing
6. Data Visualization

In conclusion, the lecture on Quantitative Research Methods: Data Analysis for Business and IT provided Ty B. Com & B. Sc. IT students with valuable insights into the principles and techniques involved in quantitative data analysis. The students gained an understanding of data collection methods, statistical analysis techniques, hypothesis testing, statistical software, and data visualization. It is expected that the knowledge and skills acquired from this lecture will enable the students to effectively analyze quantitative data in their future research endeavors, making informed decisions and drawing meaningful insights in their respective fields of study.

Title Of The Programme - **Tracking the performance of the students by using Big Data**
Number Of Participants - **69**
Resource Person Name - **Mr. Amit Patil**
Date of the Program - **25/08/2018**
Program Report -

The faculty delivered an enlightening lecture on Tracking the Performance of Students using Big Data to the SY & FY B. Sc. IT and B. Com. students. The lecture aimed to introduce students to the concept of using big data analytic to track and analyze student performance, providing insights into its applications and benefits.

Below are key points focused on by the faculty-

1. Introduction to Big Data Analytics
2. Importance of Student Performance Tracking
3. Data Sources for Student Performance Tracking
4. Data Analysis Techniques
5. Personalized Learning and Intervention Strategies
6. Ethical Considerations

In conclusion, the lecture on Tracking the Performance of Students using Big Data provided Sy & Fy B. Sc. IT students with valuable insights into the applications and benefits of using big data analytics in education. The students gained an understanding of the importance of tracking student performance, data sources for tracking, data analysis techniques, personalized learning, and ethical considerations. It is expected that the knowledge and awareness acquired from this lecture will enable the students to explore the potential of big data analytics in tracking student performance and contribute to the development of innovative educational practices in their future careers.

Program Report -

The faculty delivered an informative lecture on Emerging Trends & Product Analysis to the Ty B. Sc. IT & B. Com students. The lecture aimed to provide students with insights into the latest trends in technology and business, as well as the importance of product analysis in understanding market dynamics and consumer preferences.

Below are key points focused on by the faculty-

1. Introduction to Emerging Trends
2. Technology and Business Integration
3. Importance of Product Analysis
4. Market Research Techniques
5. Consumer Behavior and Trends
6. Case Studies and Examples

In conclusion, the lecture on Emerging Trends and product Analysis provided Ty B. Sc. IT & B. Com students with valuable insights into the latest trends in technology and business, as well as the importance of product analysis in understanding market dynamics and consumer preferences. The students gained an understanding of the integration of technology and business, market research techniques, consumer behavior, and the practical application of these concepts through case studies. It is expected that the knowledge and awareness acquired from this lecture will enable the students to identify and capitalize on emerging trends and make informed decisions regarding product development and marketing strategies in their future careers.

Title Of the Program - **Role of IPR In Economy.**
Number Of Participants - **61**
Resource Person Name - **Dr. Kishori J. Bhagat**
Date of the Program - **08/12/2018**

Program Report -

The faculty delivered a lecture on the role of Intellectual Property Rights (IPR) in the economy to the students of TY & FY B. Sc. IT & B.Com. The lecture aimed to provide an understanding of how IPR plays a crucial role in the economic development of a country and its impact on various sectors.

Below are key points focused on by the faculty -

1. Definition and Types of Intellectual Property Rights
2. Importance of IPR in the Economy
3. Impact of IPR on Various Sectors
4. Challenges and Controversies Surrounding IPR
5. Role of Government and International Organizations

In conclusion, the lecture provided a comprehensive understanding of the role of Intellectual Property Rights in the economy. The students gained insights into the importance of IPR in fostering innovation, promoting economic growth, and protecting the rights of inventors and creators. They also became aware of the challenges and controversies surrounding IPR and the role of governments and international organizations in safeguarding intellectual property.

Number Of Participants - **48**

Resource Person Name - **Dr. Pritesh Somani**

Date of the Program - **07/01/2019**

Program Report -

The faculty delivered an insightful lecture on developing and enhancing interpersonal skills in entrepreneurship to the Ty & SY students of B. Com & B. SC. IT. The lecture aimed to equip the students with the necessary knowledge and skills to effectively navigate interpersonal relationships in the entrepreneurial context.

Below are key points focused on by the faculty -

1. Importance of Interpersonal Skills in Entrepreneurship
2. Understanding Emotional Intelligence
3. Communication Skills
4. Building and Managing Relationships
5. Conflict Resolution and Negotiation

In conclusion, the lecture on developing and enhancing interpersonal skills in entrepreneurship was provided to the Ty & FY students of B. Com & B. SC. IT with valuable insights and practical strategies to navigate interpersonal relationships in their entrepreneurial journey. The students gained a deeper understanding of the importance of interpersonal skills, emotional intelligence, communication, relationship building, and conflict resolution. It is expected that the knowledge and skills acquired from this lecture will contribute to their success as future entrepreneurs.

Date of the Program - **27/01/2019**

Program Report -

The resource person Mr. Ashish delivered an engaging lecture on strategic management for bank professionals to the Ty & SY students of B.Sc. IT & B.Com. The lecture aimed to provide students with a comprehensive understanding of the strategic management process in the banking industry and equip them with the necessary knowledge and skills to navigate the evolving landscape.

Below are key points focused on by the faculty-

1. Introduction to Strategic Management
2. Environmental Analysis
3. Formulating and Implementing Strategies
4. Risk Management and Compliance
5. Innovation and Technological Advancements

In conclusion, the lecture on strategic management for bank professionals provided the Ty & SY students of B. Com with valuable insights into the strategic management process in the banking industry. The students gained a deeper understanding of the importance of environmental analysis, strategy formulation and implementation, risk management and compliance, and innovation. It is expected that the knowledge and skills acquired from this lecture will contribute to their success as future professionals in the banking sector.

Title Of The Program - **Impact of Technology on Entrepreneurship for Sustainable Development**

Number Of Participants - **59**

Resource Person Name - **Dr. Baxis Patel**

Date of the Program - **12/02/2019**

Program Report -

The faculty delivered an informative lecture on the impact of technology on entrepreneurship for sustainable development to the Ty & SY students of B. Com & B. Sc. IT. The lecture aimed to provide students with insights into how technology is transforming the entrepreneurial landscape and its potential for driving sustainable development.

Below are key points focused on by the faculty-

1. Introduction to Technology and Entrepreneurship
2. Technology and Sustainable Development
3. Digital Transformation and Entrepreneurship
4. Technological Disruption and Adaptation
5. Ethical Considerations and Responsible Use of Technology

In conclusion, the lecture on the impact of technology on entrepreneurship for sustainable development provided the Ty & SY students of B. Com & B. Sc. IT with valuable insights into the transformative power of technology in the entrepreneurial landscape. The students gained a deeper understanding of how technology can drive sustainable development by addressing social and environmental challenges. It is expected that the knowledge and awareness acquired from this lecture will enable the students to leverage technology for entrepreneurial success while considering ethical and sustainable practices
