IQAC Committee 2018-19

Concept

As per requirement of the National Assessment and Accreditation Council (NAAC), Uran Education Society's College of Management and Technology has established an internal Quality Assurance Cell (IQAC). Since quality enhancement is a continuous process, the IQAC will become a part of the Institution's system and work towards realization of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and improvement in the overall performance of Uran Education Society's College of Management and Technology, Uran.

Objectives

- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.
- To strengthen the coordination amongst the various departments of the Institute.

Functions

- Development and application of quality criteria/parameters for various educational and administrative activities of the educational institution;
- Encourage the creation of a student-centered environment that promotes high-quality education and the maturation of the faculty for the use of information and technology necessary for an inclusive teaching and learning process;
- Organize responses from students, parents and other stakeholders about institutional processes related to quality;
- Dissemination of information on the various quality parameters of higher education;
- Organization of internal and external workshops, seminars on quality topics and promotion of quality circles;
- Documentation of various quality improvement programs/activities;
- As the nodal institution of the institution in coordinating quality-related activities, including adoption and dissemination of best practices;
- Development of a quality culture in the institution;
- Preparation of Annual Quality Assurance Report (AQAR) as per NAAC guidelines and parameters to be submitted to NAAC.
