Title Of The Programme - **ICT/ Computing Skills -Introduction to ICT Tools**
Number Of Participants - **60**
Resource Person Name - **Ms.Jyoti Uday Darne.**
Date of the Program - **31/3/2021**
Program Report -

An induction program for introducing B.Sc. IT and B.Com students to ICT (Information and Communication Technology) tools are essential to help them understand the fundamental concepts and skills required in the field. Here's a sample outline for an ICT Tools Introduction Program.

1. To familiarize B.Sc. IT and B.Com students with essential ICT tools.
2. To develop basic proficiency in using ICT tools for academic and professional purposes.
3. To cultivate an understanding of the relevance of ICT in their respective fields.
4. To encourage critical thinking and problem-solving through ICT applications.

Below are key points focused on by the faculty -

1. Introduction to ICT Fundamentals
2. Specialized ICT Tools for B.Sc. IT and B.Com
3. Data Analysis and Presentation

Remember to adapt this program to your specific needs and resources, and consider the level of prior knowledge your students may have. Continuous assessment and feedback are important to ensure the effectiveness of the induction program.
